

# Weeton Show 2008

## Cover Competition

Once again Weeton & District Agricultural & Horticultural Society are running a **Free** children's cover competition (class 149).

We are looking for drawings A5 in size of any design and colour relating to aspects of the show.

Please put your full name, age and address details on the reverse of each entry (being careful it doesn't show through and damage the work itself!).

There will be a full display of entries on the Show day and the overall winner will be awarded a Keepsake Trophy, together with Free Entry tickets for next year's Show (for the winner and their family).

The winning design for 2008 cover was Rebekah Hickman aged 13.
